Mrs. Dorothy N. Lubega
Human Resource Manager
Kampala Hospital
6C Makindu Close, Kololo,
Kampala, Uganda

Dear Madam,

RE: APPLICATION FOR SYSTEMS ADMINISTRATOR JOB OPPORTUNITY.

I read with great interest your advert listed online with http://kampalahospital.com/?page_id=1121 and I am hereby seeking for an opportunity to join your community of specialists as a Systems Administrator. I believe this position offers the challenges that my education and previous experience have prepared me to handle on professional basis.

I am a highly motivated person with good analytical, networking and communication skills. In addition, I also believe that my strong background in computer network configurations and server management will make a valuable asset to Kampala Hospital as a systems administrator.

Here attached is a copy of my resume which specifically outlines my education, skills and practical experience. I appreciate your time and consideration of my candidacy for the systems administrator job and I look forward to hearing from you.

Yours Sincerely,

Mulindwa Peter
