

PIXELS INTERNATIONAL LTD

COMPANY PROFILE

FOREWORD

Pixels international ltd is an enthusiastic “brands house” that is passionate about style, trend and uniqueness in promoting company identity and creating the difference across the globe.

We aggressively seek to be at the forefront, bringing together expertise, professionalism and financial backing to provide unrivalled branding services.

ABOUT US;

Pixels is a new company in the country and region with well laid strategies aimed at being a market leader in Uganda and across the globe. We hope to keep growing our client base by ensuring that we satisfy their needs thus keeping the old ones whilst attracting new ones. This is reflected by the recruitment of innovative staffs that are committed and effective at their jobs and in the company’s dealings.

We are constantly evolving our skill and product range to reflect the diversity and dynamism of our clients’ needs, establishing long working relations with other market players to ensure that we are the pace setters in innovation and customer delivery in the market.

“Customer delight is our ultimate goal.”

It is our core objective to provide first class branding services that satisfy our clients’ diverse and changing needs, meet and exceed their expectations through quality work and services, special customer care, professionalism, integrity, ethical standards, transparency and fair dealings –all accomplished in the shortest time possible.

Our mission is;

To satisfy the needs of our clientele through supply and delivery of extra quality services in a way that’s legal, economically developmental and sustainable to the environment so as to create an impact that benefits all other stakeholders globally.

Our vision is;

To Style all kinds of brands into being outstandingly unique and self-spoken globally.

Values and ethics;

To conduct all business with; Integrity, adaptability Care, Ethical Standards, Quality Service, Health & Safety at Work, transparency and accountability.

We are deeply concerned about; Human rights, child labour, environment, anti-corruption and many others in support of our mission.

Adaptability;

We embrace change, thrive on challenges, aggressively seek to do better each time without compromising our clients' terms and conditions.

Accountability;

In whatever we do, our priority is to deliver and never let our clients down therefore we are accountable for all our actions.
